DISTRICT NEWS

ABC Unified – IT Department Norms
1. Respect, trust and cooperate with each other.
2. Give equal commitment to job duties and human relationships.
3. Communicate respectfully by giving and receiving feedback to ensure understanding, resolve issues and avoid blame
4. Participate, communicate, support one another and accept responsibility for one's own mistakes.
5. Value each other by treating everyone equally and with tact.
6. Create a positive environment through having confidence in each other.

School Accountability Report Cards Posted on Website
The new 2005-2006 School Accountability Report Cards are now available on the ABCUSD website. Learn about each ABC Unified School by visiting the following link...
